Dedication

With mixed emotions of happiness and regret we dedicate this, the 1958 issue of the Spartan Echo, to Mr. C. F. Sinclair. It is with happiness, because it is our privilege to make this tribute to such a fine teacher and sincere friend—with regret, because he is leaving.

And so to the one who is respectfully and affectionately known to many as "Pop" Sinclair, we wish a future filled to overflowing with good health, good fortune, and much happiness.

Our sincere thanks

to the Pi Kappa Phi Hi-Y

for their generosity

which helped to make the cover

for this year's

Spartan Echo a reality.

On the face of the insert you will read this inspiring statement: has satisfactorily completed the Program of Studies prescribed by the Board of Education and is declared a graduate of this Institution, a High School Diplom inst Grade, and is therefore awarded this Diplom.

It includes atrong faith in

In your pursuit of success, it is well, periodically, to take inventory of all the departments of your life, not merely the state of your finances. You will find that true success comes as a result of releasing more of yourself into life. You will realize that time taken out of your busy schedule to lighten the burden of others is never lost, and that your willingness to encourage and help others returns to bless you.

I wish you good luck and much happiness in all of your future endeavors.

Gordon G. Humbert, Superintendent of Schools.

TO THE CLASS OF 1958

This year's class will be the first graduating class of Lima Senior High School to have been in membership through the full three years. You came with the new building. I should like to congratulate each of you personally and as a class. This class has assumed leadership in an outstanding way. You will be remembered fondly for your great coortibution and your fine standards. Yours is a job well done.

We of the faculty would like to pledge to you and your successors our continued cooperation in making Lima Senior High School an alma mater worthy of your pride.
